

PROPERTY TAX COMPLIANCE

DMA's Property Tax Compliance service provides corporate tax departments with a complete outsourced solution to property tax return preparation and filing. We understand the complexity of property tax compliance, and we partner with you to provide a customized, timesaving solution. Because this service is customized to each and every client, we can assist with any aspect of your property tax compliance process. This includes full-service property tax compliance, real estate bill payment, PTMS optimization services, and more.

DMA's property tax professionals have years of property tax compliance experience. Our professionals have filed thousands of returns including high volume, single asset returns to hundred million-dollar complex returns. Our diverse industry experience includes retailers, leasing companies, manufacturers, telecommunications companies, financial service firms, and more. You can also be assured that our processes and internal controls are sufficient because our compliance practice has successfully completed SAS 70 audits each year.
