

SALES/USE TAX COMPLIANCE

DMA's Sales/Use Tax Compliance service provides corporate tax departments with a complete outsourced solution to monthly sales/use tax return preparation and filing. This service is designed to reduce time expended by your staff on sales/use tax compliance functions. You can be confident knowing our systems, procedures and internal controls have been audited and meet the standards set forth under SAS 70.

First and foremost, our Sales/Use Tax Compliance service is customized to your specific circumstances. We work with the information you provide and require little or no additional manipulation or formatting on your part. We ensure all applicable returns are filed timely and correctly with the taxing

jurisdictions. Additionally, we provide secure, online access to sales/use tax return data, available to you 24 hours a day, 7 days a week. DMA can also assist with the burdensome administration and management of exemption certificates. Our goal is to form a true partnership with you and work as an extension of your tax department.

DMA is uniquely qualified to provide Sales/Use Tax Compliance services. We bring a customized approach to each client by adapting our solution to meet their needs from a process and reporting standpoint. Additionally, our tax specialists and professionals possess skills encompassing all facets of the sales/use tax arena, not just return preparation.
